

SUPER SHINE KH8

DETERGENT, DISINFECTANT & DEODORANT

DESCRIPTION

Super Shine KH8 is a powerful detergent, disinfectant and deodorant which will kill mold, bacteria and remove foul odor.

Super Shine KH8 is a concentrated soft metal safe detergent and sanitizer, designed for cleaning medical instruments and kitchen wares. It is designed to effectively clean a wide range of soils without leaving residue.

Water hardness controlling agents disperse soils and inhibit scale formation. Special ingredients ensure instruments and wares retain their bright appearance without etching the surface.

APPLICATION

Super Shine KH8 is designed for cleaning and sanitizing medical instruments and kitchen wares such as ovens, ranges, broilers, deep fat fryers, filters, smoke house hoods, baking pans, stores and meat machines which are made from solder, lead, Babbitt, zinc, pewter, cero and other soft metals.

Super Shine KH8 is also very effective in cleaning and sanitizing refrigerators, cold rooms, cellars, beer tapping, dispensing equipment and food preparation areas.
